# Welcome to the Elementary Education and Reading Department!

The Elementary Education and Reading Department welcomes your interest in securing a Bachelor's degree in Childhood (CED), Early Childhood (ECE), the Combined Childhood/Early Childhood (ECC) Program or an extension program.

As you will read in the information that follows, this Handbook summarizes the various stages you must follow to achieve your goal. In particular, the New York State Education Department and the Regents have established minimum requirements to secure certification in Childhood Education or Early Childhood Education. In addition, SUNY Buffalo State's faculty also has responsibility for establishing academic requirements for all bachelor degrees.

To guide you in your decision-making, this handbook is divided into sections:

1) Welcome and <b>General Information</b> for Teacher Education at Buffalo State	p. 3
2) How do you begin as an elementary education major?	p. 8
3) How to apply to the <b>Elementary Education Major of your choice?</b>	p. 8
4) What are the <b>academic and course requirements</b> for these programs?	p. 15
5) What are the required exams and seminars for certification?	p. 56
6) What academic policies govern the courses in these programs?	p. 43

We intend to provide you with excellent instruction, a theoretical and strategic foundation, and the opportunities to observe and learn from excellent and masterful teachers. Should you have any questions please contact us at 716-878-5916 or check out our website at <a href="http://www.elementaryeducation.buffalostate.edu/">http://www.elementaryeducation.buffalostate.edu/</a> and we'll do our best to get you started!

The Buffalo State teacher education program is based on the clinically rich **Professional Development School model (PDS),** providing many opportunities for authentic classroom experiences. For more information about the PDS schools and this award winning program, please go to the website: <a href="www.pds.buffalostate.edu/">www.pds.buffalostate.edu/</a>

Welcome to Elementary Education and Reading!

### Section 1 Mission of Teacher Education

The mission of the Buffalo State teacher education program is to prepare knowledgeable and skilled educators who are committed to ensuring that all students achieve their greatest intellectual, emotional, and physical potential.

#### **Shared Vision**

The conceptual framework for all teacher preparation programs at Buffalo State articulates the unit's vision, ensures *coherence* across candidates' programs and reflects our commitment to prepare candidates to work effectively with *all students* including students with culturally, linguistically, and ethnically diverse backgrounds and students with disabilities. The department's vision is based on the strategic visions of the college and the School of Education.

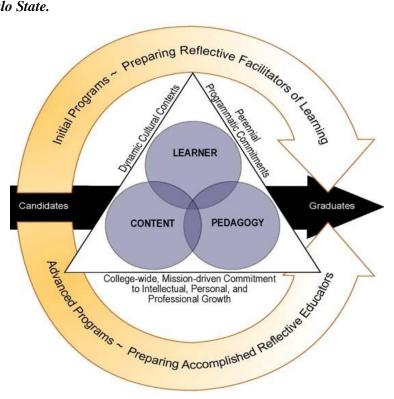

#### **Description of the Conceptual Framework**

An evolutionary process based on program evaluation and research in teacher education has resulted in the present model that conceptualizes teaching as facilitating learning. Teachers take that which they understand and transform it for effective instruction through a cycle of activities involving:

- **Comprehension** an understanding of the purposes of education.
- Transformation the process of transforming material by interpreting it critically in light of
  one's own evolving understanding, by identifying alternative ways of representing it to
  learners, by choosing from an instructional repertoire, and by adapting and tailoring it to
  learner characteristics.
- Instruction organizing and managing a classroom, presenting clear explanations, assigning
  and reviewing work, interacting with learners through questions and probes, responding to
  answers and reactions, and providing praise and criticism.
- Evaluation formal testing and formative assessment to obtain information for making instructional decisions, providing feedback to learners, and determining grades.
- Reflection the process of examining the teaching and learning that has occurred by
  reviewing, reconstructing, re-enacting, and analyzing one's own teaching behavior and the
  learners' performance. For SUNY Buffalo State's conceptual framework, the term "critical
  reflection" will be used to emphasize the need for teacher candidates to critically examine or
  reflect upon their performance as reflective facilitators of learning.

Also embedded in the conceptual framework are the concepts of: Content, Learner,
 Pedagogy, Technology, Reflection, Diversity, and Disposition.

Displayed below is a graphic representation of the conceptual model for educator preparation at SUNY Buffalo State.

Schoen, D. (1987). Educating the Reflective Practitioner. San Francisco, CA: Jossey-Bass Shulman, L. S. (February, 1987). "Knowledge and Teaching: Foundations of the New Reform," Harvard Educational Review, 57 (1), 1-22.

The model describes the purposes, processes, outcomes, and evaluation of the professional education programs at the basic level. It consists of three major components - the Learner, the Content, and the Pedagogy. These three components are interrelated and integrated to prepare teacher candidates to assume roles as *reflective facilitators of learning* through coursework and experiences in each component of the model. The *reflective facilitator of learning* has a broad liberal arts background coupled with pedagogical knowledge and content knowledge and exemplifies those qualities and dispositions that characterize effective teachers. These three components are supplemented with additional aspects of our Conceptual Model: Technology, Reflection, Diversity and Dispositions. Together they constitute: **CLOPTRODD!** 

When considering the three major components of the conceptual framework, it is important to acknowledge that all learning occurs within an ever-changing context: the environment of the school, the local community, and the broader society. Instructional context encompasses such factors as the prevalence of technology within a school, as well as those issues pertaining to diversity and inclusion. The nature of SUNY Buffalo State's teacher education programs reflects our awareness of the influence of instructional context on learning. We seek to prepare our candidates to experience a variety of teaching situations through our **Professional Development Schools Consortium (PDS)** and to adjust continually to changes within the profession and educational community.

#### **Teacher Candidate Outcomes**

The Elementary Education and Reading faculty has determined the following goals and expectations for its graduates. Your progress will routinely be evaluated throughout your program, using these goals as the standard. Your progress is also measured against the Conceptual Framework, InTASC, ACEI, and NAEYC Standards. You will be held to the Code of Ethics and expected to conduct yourself as a true professional.

Graduates of the Childhood Education, Early Childhood Education and Combined Programs will be able to:

- 1. Identify, define, and analyze situations in order to make decisions that are appropriate and effective to reach a desired goal.
- Demonstrate the characteristics of liberally educated practitioners as evidenced by their knowledge of content in the various disciplines and their ability to transform this knowledge to provide appropriate content instruction for elementary school students.
- 3. Recognize and apply knowledge of child development and learning theory in planning, implementing, and evaluating learning experiences for all children.
- 4. Demonstrate an understanding and appreciation of cultural, gender, racial, and religious diversity; demonstrate skills in fostering such understanding and appreciation in elementary school children.
- 5. Select developmentally appropriate materials and use instructional strategies to facilitate children's learning of content, skills, values and attitudes.

- 6. Demonstrate an understanding of the educational applications of technology for improving professional productivity and enhancing instruction.
- 7. Use a variety of sources and assessment measures to obtain information about student progress as a basis for making informed instructional decisions.
- 8. Demonstrate effective organizational skills and classroom management strategies to provide a positive learning environment.
- 9. Demonstrate interpersonal skills, which enable them to work effectively with individuals and groups.
- 10. Demonstrate professional behavior in interaction with colleagues and students by enthusiasm for learning through commitment to continuing professional development.
- 11. Develop a personal philosophy of education and demonstrate the ability to examine the relationship between their professed beliefs, the decisions they make as classroom teachers, and the progress of their students.

#### Accreditation and Awards:

The Undergraduate Programs within this department are accredited by the Association of Childhood Education-International (ACEI), the National Association for the Education of Young Children (NAEYC), and since 1954 the National Council for the Accreditation of Teacher Education (NCATE).

Recipient of the 2003 NYSATE/NYACTE Distinguished Teacher Education Program in Collaboration with its Professional Development School Consortium.

Named as a finalist for the 2005 ATE Distinguished Teacher Education Program Award.

Recipient of 2005 Bronze Community Award from Buffalo Alliance for Education for excellence in service to the Buffalo Educational Community.

Recipient of the 2011 NAPDS Award for Exemplary Professional Development School Consortium

Recipient of the 2013 NAPDS Spirit Award

SUNY recognition as the Western Region Center for Innovation for Clinically Rich Practice through the PDS in 2015

#### Section 2

#### Admission to the Program

#### I am interested in becoming an elementary teacher, so what do I do?

If you have a 3.0 college GPA or 85% high school average and have submitted an ACT or SAT score to admissions, you may be admitted directly into the CED major and will have an opportunity to change to the more specific education major of your choice. You will also declare a concentration.

If you are CEDW, UNC, or another major at SUNY Buffalo State, then you need to complete a salmon application to the elementary education major of your choice.

#### What majors are available?

CED = Childhood Education, grades 1-6

ECE = Early Childhood Education, birth- grade 2

ECC = Combined Childhood and Early Childhood Education, birth-grade 6

CEN = grades 1-6, with a 7-9 extension in English

CMT = grades 1-6, with a 7-9 extension in Math

CSS = grades 1-6, with a 7-9 extension in Social Studies

CFR = grades 1-6, with a 7-9 extension in French

CSH = grades 1-6, with a 7-9 extension in Spanish

CIT = grades 1-6, with a 7-9 extension in Italian

#### When do I apply?

If you did not qualify upon initial acceptance to Buffalo State, then you will work toward meeting the necessary requirements. For instance, once you have been accepted at Buffalo State, applications for the education majors are accepted at any time throughout the year, as soon as you have reached the requirement of a 3.0 GPA and have submitted an ACT or SAT score to admissions. You may apply in later semesters as well, but ideally before you have reached 45 credit hours.

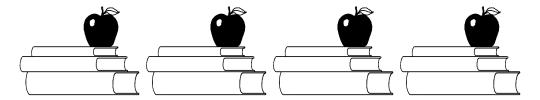

#### How do I apply?

As an incoming freshmen, you may choose elementary education during the college application process if you have an 85% High School average and have submitted an ACT or SAT score to admissions. As an incoming transfer student, you may choose elementary education during the college application process if you have an overall college GPA of 3.0 and have submitted an ACT or SAT score to admissions.

For all other applicants, salmon applications are available in Bacon 302, the main elementary education office. Applications are also available from your University College or EOP advisors. Complete the information page and the professional paragraph as directed on the application. Then complete the change of major form with your personal information and Banner ID. Use the codes above to indicate what major you would like to be. Remember to choose a concentration as well and indicate it on the form. Concentration choices include: American Studies, English, Mathematics, Foreign Language, Science, or Social Studies. Then attach a full transcript from DegreeWorks and return the completed application to Bacon 302 where it will be checked for completion. Your application will be reviewed by the department and you will be notified of the department's decision.

#### How do I know if I qualify?

CEDW, UNC and students with other SUNY Buffalo State majors need to have achieved a Buffalo State overall GPA of 3.0 and have submitted ACT or SAT scores to admissions. Following the application process discussed above, you will receive a letter of acceptance if you qualify.

#### So, now that I am in the major of my choice, what courses should I take?

Use your handbook, DegreeWorks transcript, the road map template for your chosen major and regular meetings with your advisor to plan out the courses you should take each semester.

During your first four semesters at Buffalo State, you should complete these courses in this order:

- 1. EXE 100, SPF 202 and SPF 203 (unless ECE-Early Childhood Education only) must be completed during either semester of your first year in the program.
- 2. Then in your third and/or fourth semesters, plan on taking EDU 201 and SPF 302.
- In your fourth and/or fifth semesters, plan on taking EDU 211. It is recommended that you take EDU 211 in the semester prior to EDU 311W.

You must maintain both a 2.5 GPA overall and in these education courses. In EDU 211 and all the subsequent methods courses, you must earn a C or better to progress in the elementary education program. Your advisor is in the best position to help you plan out your program.

#### How do I know who my advisor is?

Advisement is mandatory, so you must see your assigned elementary education major advisor at least each October and March. You were given your advisor's name in your acceptance letter. You may also check in Banner or DegreeWorks to find your advisor's name. For your convenience, a list of advisors is also available in Bacon 302. You are encouraged to meet with your advisor or contact them when questions arise as well as during scheduled mandatory advisement sessions.

#### What is the advisement process?

Each semester, in late September and late February, you go to your advisor's office door and use the signup sheet for an appointment with your advisor. Write down your date and time and be sure to be prompt for your meeting. Your advisor is eager to support you through the program, but you must do your part. Arrive prepared with your handbook, DegreeWorks transcript, folder with previous advisement materials, and a written list of your questions.

Plan to meet with your advisor for 15-30 minutes. If you have additional questions, you may sign up for another appointment. Advising appointments are held in October and March and registration for courses usually takes place in early November and April.

If you are unable to meet with your advisor, general advisement sessions may also be held throughout October and March. Watch for signs in Bacon Hall indicating dates and locations for these sessions.

# I have completed the required EXE, SPF, and EDU courses listed above and I have been meeting regularly with my elementary education advisor, now what do I do?

During the semester in which you are taking EDU 211, you will attend a mandatory PDS/EDU 311W Orientation. This orientation will be announced in your EDU 211 class, posted on our PDS FaceBook (https://www.facebook.com/buffalostatepds) and PDS website (http://www.buffalostate.edu/pds/index.xml), and information will also be available on the bulletin boards on the third floor of Bacon Hall.

At this point, you must have met these requirements in order to move forward in the program and take EDU 310W or EDU 311W:

- 1. 2.5 Overall GPA
- 2. 2.5 GPA in Professional Sequence or Major courses
- 3. C or better in EDU 211 (grades will be checked at the end of the semester)
- 4. Completed EXE 100, SPF 202, SPF 203 (unless ECE), SPF 302, EDU 201 and be enrolled in or completed EDU 211 (C or better)
- 5. Completed MAT 121 and completed or taking MAT 122
- 6. Completed both CWP 101 and CWP 102 with C's or higher
- Attended a PDS/EDU 311W Orientation and signed the confirmation paperwork
- 8. Signed and turned in the minimum technical competencies paperwork

#### How do I keep moving forward through the program?

As long as you maintain your 2.5 overall GPA as well as a 2.5 in the major, you should be able to move forward in the program. In addition, you must continue to get C grades or higher in your PDS methods courses (EDU 311W, EDU 316, and/or EDU 329) depending on your program.

Your advisor will help you map out your road to graduation. Use your handbook, DegreeWorks transcript, and the advisement materials that are made available to you to assure that you are meeting all pre-requisites and taking courses in the order that will allow you the greatest opportunity for successful completion of all program requirements in a timely manner. Use the advisement materials at the end of this handbook. Meeting regularly with your advisor is essential!

It is important to take 15 credit hours each semester, if you are academically capable of that course load. However, it is equally important to know yourself and realize that the pace you take to get through college is one based on your individual needs and strengths as well as your obligations outside college. Schools will only interview candidates with the highest credentials, so please take this thought into consideration as you plan your program.

It is also important to take advantage of the academic support systems available in the department and on the campus.

#### **Ten Tips for the Advisement Process**

#### **Department of Elementary Education and Reading**

Welcome to our department! Our advisors are eager to assist you with your course planning as well as supporting you through the challenging pathway to success as a teacher. **Advisement is mandatory each semester** as an education major. Once you know your advisor, include their name and office here:

.

#### What YOU need to do:

- 1. One month into the semester, use your BANNER account to locate your advisor's name.
- By the first week of March or October, depending on the semester, locate your advisor's office door and sign up for an appointment. Don't rely on emailing or phoning to make an appointment.
- 3. Keep that appointment and go **prepared**. Bring an advisement folder containing your current DegreeWorks transcript, your department handbook, all previous advisement slips, and a list of questions you may have to discuss with your advisor.
- 4. Follow your advisor's advice and **register** for your courses as soon as you are allowed. Look at your Banner, Registration Status, to check for any holds, and to locate your first day of registration which begins at 6:00 am.
- 5. Your advisor may have given you an **Alternate Pin** number that will allow you to register. Not all students have alternate pins each semester. You must see your advisor to check for your alternate pin number.
- 6. If you are unable to meet with your assigned advisor due to scheduling conflicts, plan to attend a **general advisement session, if necessary**. Announcements regarding these sessions will be made in classrooms and will be posted on the third floor of Bacon Hall bulletin boards. Come prepared!
- 7. Become familiar with **your education handbook** and all course requirements and prerequisites. The handbook is also available: www.pds.buffalostate.edu/ for current students
- 8. Stay alert for your **SUNY BUFFALO STATE emails** check at least two times per week
- 9. Also, use the **mentoring checklists**, available from your advisor, to stay on top of your required state exams and seminars. See <a href="https://www.nystce.nesinc.com">www.nystce.nesinc.com</a> and the teacher certification website.
- 10. Be your own best advocate!

#### Section 3

#### Progressing through the Elementary Education Program

Deciding to teach is only the beginning of your decision process...you will still need to determine whether or not you want to be certified to teach at the **childhood** level (Grades 1-6, Major Code CED); to teach at the **early childhood** level (Birth-Grade 2, Major Code ECE), or both, the **combined** major, (Birth-6 grade, Major Code ECC). You may also seek "**extended**" **certification** in some concentration areas so you can build on the Grades 1-6 certification and also teach middle school (Grades 7-9; more on that option is described later in this handbook).

A number of courses concerning pedagogy or "how to teach," are restricted to students admitted into the formal elementary education majors, so you should not anticipate taking those courses until later in your program. These courses are the methods courses and many of them are taught in our Professional Development Schools (PDS). Learn more about PDS at <a href="http://pds.buffalostate.edu/">http://pds.buffalostate.edu/</a> or through our Facebook connection at Facebook.com/buffalostatepds

#### Novice Teacher (1. Junior Participation and 2. Student Teaching)

Denotes that period of study in which the teacher candidate is taking methods courses, while continuing his/her liberal arts concentration, and thus is first developing his/her knowledge, skills and dispositions. These courses include: EDU 310W Teaching of Social Studies; EDU 311W Teaching of Reading, Writing and Literacy; EDU 316 Teaching of Math, EDU 313 Teaching of Science, and EDU 329, Thematic Instruction for the Young Child. We refer to these PDS experiences as Junior Participation. Teacher Candidates should have a completed PPDP (Personal Professional Development Plan developed in the Introduction to Elementary Education course) to use during advisement. A signed copy of the Minimum Technical Standards must also be on file. In order to proceed to Novice Teacher the candidate must have maintained a 2.5 cumulative GPA and an average of 2.5 or better in the SPF, EXE, and EDU courses. Successful completion of Junior Participation must include a grade of C or better in each methods course. These Junior Participation courses will be conducted in an approved PDS School site. Teacher Candidates must attend a mandatory **PDS** orientation prior to EDU 311W to learn more about the duties and responsibilities for teacher candidates in a PDS. Teacher Candidates with an early childhood concentration or combined majors must also attend a mandatory EDU 329 orientation prior to taking EDU 329. Only one methods course may be taken in each semester. The second component of Novice Teacher includes the student teaching experience as described later in this handbook.

#### Initial and Professional Teacher Certification

Candidates are designated as Professional Teachers with **Initial Certification** upon successful completion of the Novice Teacher Benchmark, AND the following:

- 1. Successful completion of the required NYSTCE exams AND
- 2. Completion of 6 required seminars/workshops AND
- Having met all of the NYS Teacher Certification requirements at the time of graduation for their appropriate major – AND
- Have been officially awarded their degree by the college, at which time the SUNY Buffalo State Teacher Certification office recommends candidate for the Initial Certificate.

#### **Professional Certification** will follow with:

- 1. Successful completion of an approved Masters Program AND
- 2. 3 years of teaching AND
- 3. Approved application.

**IMPORTANT:** You have 5 years from Initial Certification to achieve Professional Certification.

#### Movement through each phase or benchmark

To assist you in assessing your readiness to become a teacher, your instructors and academic advisor will work with you in determining your strengths and weaknesses in meeting the goals for candidates. It is your responsibility to remedy your weak areas prior to advancing to the next appropriate level of your program. Please use your **PPDP**, developed during your Introduction to Education course, to meet these goals. Please be sure you have a copy of the required **Minimum Technical Standards** for teachers as well as **teacher candidate dispositions**. This document is signed upon acceptance to the full major. One copy is for your reference and the other is kept in your central file.

#### Sometimes you learn that teaching is not for you. You have other options.

Your advisor and the Career Development Office in Cleveland Hall can help you explore other majors and career options. One possibility is to earn a Bachelor's Degree in Individualized Studies (INS).

**NOTE:** In such cases where plans for remediation and professional development have not been successful, the Chair of the Department and the appropriate course instructors have been empowered to review the situation of students who are deemed unable to meet the standards and expectations of the program. Should it be determined to be in the best interest of the teaching profession, the children in the schools, or in the best interest of the student's own personal future, it is possible that teacher candidates will be counseled to seek other degrees and in some cases they may be removed from the department's program. Teacher candidates should refer to the "Minimum Technical Standards" required for teaching which they sign upon entry to the major as well as the NCATE/CAEP Dispositions as guidelines for professional behavior. (See Appendix)

#### Important Benchmarks to Remember:

- 1. Applications to the majors are available throughout the year and accepted in Bacon 302 on a rolling basis.
- 2. Keep up with the latest certification testing information (<u>www.nystec.necsinc.com</u>)
- 3. Seminars may be taken throughout your novice teaching experience. They are a requirement for graduation and it is highly recommended that they be completed prior to student teaching. (www.buffalostate.edu/pds) for more information.
- 4. The PDS/EDU 311W Orientation is mandatory during the semester prior to the course. As is the PDS/EDU 329 Orientation for those in ECE and/or ECC.
- 5. A Mandatory Student Teaching Cohort Orientation must be attended during the semester prior to student teaching.
- 6. A Mandatory Student Teaching Career Development Day will also be required.
- 7. A signed copy of the Minimum Technical Standards must be on file in the office prior to methods courses.
- 8. Teacher candidates must maintain an overall GPA of 2.5 or higher as well as a professional sequence (or major) GPA of 2.5 or higher to move through the programs.

#### Section 4

#### Academic Requirements

Your bachelor's degree allows you to be recommended to the state of New York for initial certification. All bachelor's degrees at SUNY Buffalo State require a minimum of 120 credit hours; however, you should be aware that a B.S. (Bachelor of Science degree) in Elementary Education may result in more than 120 credits. Here's why:

The college faculty and New York State require that you must not only know **how** to teach, but that you must know **what** to teach.

In other words, to teach in elementary schools you need a **broad-based content education** and **an in-depth study** of a given discipline (your **concentration**), as well as a **professional sequence** of courses on how to teach (**pedagogy**).

#### In summary, your academic requirements include:

Your broad-based

A) The <u>Intellectual Foundations Requirements</u> of the college (for B. S. degree). See pages 16-21.

content knowledge

requirements

B) The <u>Distribution Requirements</u> which assures the State that you have content and broad-based knowledge in English, Mathematics, Science and Social Studies. These are the subjects you will be teaching!

See pages 22-24. (Yes – you can use the same courses for A & B!)

Your <u>in depth</u>

<u>knowledge</u>

requirement

C) A <u>Concentration</u>—the State requires 30 credits (usually 10 courses) in an academic discipline or concentration – to give you an in-depth experience in a discipline. Your options are currently: American Studies, English, Foreign Language, Math, Science, and Social Studies. See pages 25-38.

(The same courses may sometimes be used for A, B & C as appropriate)

Your <u>required</u>

<u>professiona</u>l or

pedagogical

knowledge

D) The <u>Pedagogical or Professional sequence</u> in which you learn how to teach. The sequences vary depending on whether or not you are seeking Childhood certification, Early Childhood certification or a Combined certification. See page 39.

#### Checklist

At the *end of this handbook you will find a checklist* of these academic requirements. Each area parallels A-D in the summary above. For further explanations of each of these requirements and the actual courses required see the following sections.

# A. INTELLECTUAL FOUNDATIONS (IF-14) REQUIREMENTS

FOR MORE INFO SEE: <a href="http://www.buffalostate.edu/offices/registrar/">http://www.buffalostate.edu/offices/registrar/</a>

Courses **bolded** in the Intellectual Foundations requirements represent those courses which are also on the **distribution lists** (Section B). These bolded courses may be "double dipped" from Section A (IF) to Section B (Distribution). **Use your DegreeWorks transcript for the most current list of IF courses.** 

#### **Basic Written and Oral Communication**

Discuss this requirement with your academic advisor. Select from options 1-4. For Option 1, choose appropriate credits. You must have proficiency in a foreign language equivalent to at least the 102-level. If you took foreign language in high school, you may be able to waive this requirement. Normally one year of high school study equals one semester of college-level foreign language study. See the Modern and Classical Languages Department for more information.

#### Foreign Language Requirement for Elementary Education Majors:

Students must exhibit proficiency through the 102 level. Proficiency may be demonstrated through satisfaction of approved coursework or evaluation of high school foreign language.

**IMPORTANT:** Transfer students need to request that a copy of their high school transcript be sent to the Transcript Evaluation Office in Admissions, to document high school language. Two years of the same language are required in grades 9-12 (high school) or two semesters of the same language in college. The Elementary Education department will allow students to use two semesters of **American Sign Language** for this purpose.

Students interested in continuing in a foreign language should take the **CLEP exam**. Please check with the Admissions Office in Moot Hall for a listing of available exams and their associated fees.

#### **Additional Degree Requirements**

- Successful completion of required course work in the declared major.
- Successful completion of at least 120 credit hours, of which:
  - At least 45 must be upper division.
  - o At least 32 must be taken at Buffalo State, including the last 16.
- Final overall cumulative average (GPA) of 2.5 or higher.
- Final major GPA of 2.5 or higher.
- Successful clearing of all I, N, or X grades.

# B. DISTRIBUTION REQUIREMENTS FOR CHILDHOOD AND EARLY CHILDHOOD MAJORS

#### C. CONCENTRATIONS

All Elementary Education Majors must complete a **30-hour concentration (usually 10 courses)** in an academic area. Some concentrations will require slightly more that 30 credit hours in order to meet all of the requirements. These courses may be overlapped with both IF and distribution.

#### The currently six approved concentrations include:

American Studies Mathematics English Science

Social Studies Foreign Language (Spanish, French, or Italian)

In order to provide the in-depth experience required by the state, 18 credits of each concentration must be at the 300 or 400 level. Since many concentration courses may also be used in completing the college's Intellectual Foundations requirement, a concentration should be selected as early as possible. A teacher candidate should be aware of the possibility for double or triple dipping some of their concentration courses with either distribution or Intellectual Foundations.

#### **IMPORTANT REMINDERS:**

- 1. No double dipping is permitted within the concentrations. (30 credits)
- 2. A course taken to meet the concentration, distribution, or professional sequence requirement <u>cannot</u> be taken Pass/Fail.
- 3. Early and careful planning with an advisor will be necessary in order to meet all requirements within or close to the 120-credit hour minimum requirement for graduation. Students must indicate their choice of concentration on their change of major form when applying to one of the majors.

#### AMERICAN STUDIES CONCENTRATION

The American Studies Concentration consists of **10 courses** or 30 hours chosen as described below from 6 different general areas. **At least 18 hours must be upper division (300 or 400) level.** It is suggested that the student work closely with their advisor in all concentration planning:

#### FRENCH, SPANISH OR ITALIAN CONCENTRATION

Choose One (1) Language (Total of 30 Credits)

All students pursuing a foreign language concentration should initially take the CLEP exam to receive actual credit for prior work and knowledge in your chosen foreign language as well as determine initial level of coursework. Information about this exam is available in the Admissions Office and more information can be secured in the Modern and Classical Language Department in Bishop Hall. (A fee is required for the CLEP exam). In order to secure the required 30 credits in the concentration as well as proper initial placement, it is important that the student pursue this exam as an alternative credit option upon entry level.

The foreign language concentration consists of 30 credit hours in one foreign language and must contain at least 18 credit hours of upper division (300 or 400) level.

#### Total of 30 hours required in one language

30 crs.

**Note:** Language courses must be taken in sequence and 300 level language is a pre-requisite for all other courses. Therefore, careful scheduling of courses for this concentration will be necessary. Students who enter with advanced standing in language skills will fulfill the balance of the 30-hour requirement by selecting courses in literature or linguistic categories or can receive actual credit for prior work by taking a CLEP exam through the Admissions Office (about \$70-90). Study abroad is encouraged, especially in summer. See International Education, SW 410, 878-3560, or Dr. Robert Summers, 878-4620. The office also provides alternative placement testing for heritage speakers.

#### Childhood Majors with Foreign Language Extension:

It is highly recommended that extension students take one or two additional courses in this concentration so that they will be successful in 7-9 settings and on the CST foreign language exam. Please work closely with the foreign language concentration EER advisor and the Modern and Classical Language department to plan your best course of action.

#### MATHEMATICS CONCENTRATION

The Mathematics concentration consists of a total of 30-31 credits chosen as described below. It is strongly suggested that the student work closely with their advisor and they are also encouraged to discuss their programs with members of the Mathematics Department in all concentration planning. Please note: Upper level courses are marked with an \*.

\*MED 383W Learning and Teaching Problem Solving

1\*MAT 351 Number Theory

<sup>2\*</sup>MAT 495 Project

<sup>2</sup>\*MAT 499 Independent Study

\*MED 307 Use of Teaching Aids in the Teaching of Mathematics (recommended for extension students) 9 crs.

Total 31 crs.

#### Notes

- \* Upper level courses
- <sup>1</sup> Strongly recommended that all required courses be completed before taking this course
- <sup>2</sup> Permission of Math Department Chair required
- <sup>3</sup> This course is rarely offered

All students are encouraged to discuss their programs with members of the Mathematics Department as well as with their assigned el ed advisor.

#### Important Notes for Math Extension Students:

- 1. The math department will not accept any substitutions for students in the math extension.
- 2. MED 309 is an additional course for math extension and is taught in the **spring only**.
- 3. Work closely with the math department to monitor course availability and your individual progress.

#### SCIENCE CONCENTRATION

The Science Concentration consists of 30-33 credit hours chosen as described below. At **least 18** credit hours must be at the upper division (300 or 400) level. It is strongly suggested that the student work closely with an advisor in all concentration planning.

#### **REQUIRED COURSES:**

#### I. Complete three of the following courses:

BIO 212	Intro. Organismal Biology & Diversity OR BIO 111 Introduction to Biology
BIO 213	Intro. Ecology, Evolution, & Behavior
CHE 101	General Chemistry I <b>OR</b> CHE 111 Fundamentals of Chemistry I
PHY 104	Physics for El. Ed. <b>OR</b> General Physics I <b>OR</b> PHY 111 University Physics
GES 101 &103	Introductory Geology with Lab OR GES 201 (Fall semester only)

#### ONE YEAR SCIENCE SEQUENCE:

#### II. Complete one of the following courses to complete your one year sequence of science.

BIO 211	Introduction to Cell Biology and Genetics
BIO 212	OR BIO 111 Introduction to Biology Intro. Organismal Biology & Diversity OR
BIO 213	Intro. Ecology, Evolution, & Behavior
CHE 102	General Chemistry II <b>OR</b> CHE 111 Fundamentals of Chemistry II
PHY 304	Physics for El. Ed. <b>OR</b> General Physics II <b>OR</b> PHY 112 University Physics II
GES 131	Introductory Astronomy <b>OR</b> GES 111 General Oceanography <b>OR</b> GES 223 Environmental Earth Science <b>OR</b> GES 224 Geologic Hazards <b>OR</b> GES 241 Meteorology <b>OR</b> GES 202 (Spring semester only)

#### **ELECTIVES:**

I. Complete a minimum of **18 credit hours** in upper division science courses. (Prefix of BIO, CHE, PHY, GES, or SCI). Please note any pre-requisite courses.

#### Note: The following four courses are especially designed for elementary teachers:

SCI 311 Processes in Physical Science	3 crs.
SCI 312 Processes in Life Science	3 crs.
SCI 313 Processes in Earth Science	3 crs.
SCI 323 Science as Inquiry	3 crs.
SCI 335 Outdoor Science Education	3 crs.
SCI 445 Literacy for Teaching Science (may need instructor permission)	3 crs.

#### Additional Possible Geosciences Selections:

GES 300 Sedimentology (GES 10 1& 103)	3 crs.
GES 301 Stratigraphy (GES 101, 103, 300 and co-requisite of 102)	3 crs.
GES 307 Geomorphology (GES 101 or GEG 101)	3 crs.
GES 310 Great Lakes Environmental Issues (J/S status)	3 crs.
GES 314 Geological Oceanography (GES 111)	3 crs.
GES 409 Fluvial Geomorphology (GES 307)	3 crs.
GES 452 Hydrogeology (GES 101 & one 300 level GES)	3 crs.
Additional Possible Biology Selections:	
BIO 308 & 309 Human Anatomy & Physiology & Lab (BIO 100 & 212)	4 crs.
BIO 414 Mammology (BIO 212 & 213 & J/S status)	3 crs.
BIO 421 Invertebrate Structure & Function (BIO 212 & 213)	3 crs.
BIO 428 Vertebrate Structure and Function (BIO 212 & 213)	4 crs.
Additional Possible Chemistry Selections:	
CHE 300 Medications: Chemicals for your Health (CHE 100, 101, or 111)	3 crs.
CHE 301 Analytical Chemistry (CHE 112)	4 crs.
CHE 312 Chemistry & Criminalistics (CHE 102 or 100 with instr. Perm.)	3 crs.
CHE 315 Environmental Chemistry (CHE 112 or 102, instr. perm)	3 crs.
CHE 321 Principles of Organic Chemistry (CHE 102 or 112)	4 crs.
CHE 322 Biological Chemistry (CHE 321)	4 crs.
Additional Possible Physics Selections:	

18-19 credits

3 crs.

Total 30-33 credits

#### Please see your advisor for possible substitutions.

PHY 323 Statics (PHY 111 & PHY 112)

**NOTE:** It is highly recommended that you work closely with the science department to monitor course availability and appropriate course selection.

Additional science courses may become available that would meet the requirements for a science concentration. Work with the science department and your education advisor to map out your concentration. See your advisor for possible substitutions of 1XX or 3XX courses from previous institutions.

At this time a science 7-9 extension is not available.

#### SOCIAL STUDIES CONCENTRATION

The Social Studies Concentration consists of **10 courses** or a total of 30 credit hours chosen as described below. **At least 18 credit hours must be at the upper division (300 or 400) level.** It is strongly suggested that the student work closely with an advisor in all concentration planning. **No double dipping within** the concentration.

**NOTE:** The Social Studies **Extension** (major code CSS) requires at least 12 credits of **history** course work. Extension students should work closely with the history department and social studies education to monitor course availability, especially for the additional course, SSE 303.

#### **REQUIRED COURSES:**

	10
HIS 107 History of American Life II	3 crs.
OR (highly recommended to take both)	
HIS 106 History of American Life	3 crs.
PSC 102 Introduction to American Government	3 crs.
GEG 101 World Natural Environment	3 crs.
ECO 101 The Economic System	3 crs.

12 crs.

#### SOCIAL SCIENCE DIVERSITY FOCUS:

Take two courses from the following Social Studies diversity offerings:

ECO 302 Women in the Economy (pre-requisite: ECO 201 or ECO 202) (D)

GEG 309 Introduction to Urban Geography

GEG 359 Arctic Geography from an Inuit Perspective

HIS 302 History of Women in America (D)

HIS 311 History of American Immigration and Emigration

HIS 314 Modern Latin America

HIS 322 African American History (D)

HIS 468 Readings in African American History

PSC 316 Urban Ethnic Politics

PSC 335 International Relations of the Middle East

PSC 337 Politics of Globalization

PSC 340 Politics of Developing Countries

SSE 350 Longhouse People

SSE 363 American Identity in Transition

**REL 350 Holocaust** 

These courses may be used, but are offered infrequently. Please check with the appropriate department to confirm availability.

HIS 341 African Americans and Civil Rights

#### **ELECTIVES:**

Take 12 credits across 3 categories: (at least one course in each category must be taken)

#### **GEOGRAPHY**

- GEG 300 World Regional Geography
- GEG 206 Geography of New York State (may interfere with the req. 18 upper division hours; check with your advisor)
- GEG 359 Arctic Geography from a Inuit Perspective
- GEG 360 Geography of Asia
- GEG 364 Geography of Europe

### These courses may be used, but are offered infrequently. Please check with the Geography Department to confirm availability.

- GEG 362 Geography of the United States and Canada
- GEG 425 Fundamentals of GIS (CIS 101)

#### **HISTORY**

- HIS 302 History of Women in America (D)
- HIS 304 Europe from Napoleon to the First World War
- HIS 306 History of Africa to 1919
- HIS 308 History of Early Canada
- HIS 310 History of the Far East: The Traditional Era
- HIS 313 Politics and History in the Middle East
- HIS 314 Modern Latin America
- HIS 318 History of the Soviet Union
- HIS 321 History of Medieval Europe (pre-requisite: HIS 115)
- HIS 322 African American History
- HIS 324 American Presidents (pre-requisite: HIS 106 or 107)
- HIS 330 U.S. Environmental History
- HIS 340 History of the Buffalo/Niagara Region
- HIS 389 Topics vary
- HIS 415W New York State History

### These courses may be used, but are offered infrequently. Please check with the History Department to confirm availability.

- HIS 319 Colonial History of the American People
- HIS 331 American Westward Expansion
- HIS 332 Technology and U.S. History

#### POLITICAL SCIENCE

- PSC 315 State and Local Government Politics
- PSC 316 Urban Ethnic Politics
- PSC 318 Democracy and Peace The Urban Experience
- PSC 326 Politics and Media
- PSC 335 International Relations of the Middle East
- PSC 337 Politics of Globalization
- PSC 350 Introduction to Legal Thought

These courses may be used, but are offered infrequently. Please check with the Political Science Department to confirm availability.

PSC 320 U.S. Civil Liberties PSC 330 American Foreign Policy

PSC 355 American Policy

Total 30 crs.

**IMPORTANT**: See your advisor for substitutions in the social studies concentration. Most HIS, PSC, GEG, or ECO courses from SUNY Buffalo State and transfer institutions may be appropriate for this concentration.

#### D. PROFESSIONAL SEQUENCES

#### Childhood Education Grades 1-6 (Major code: CED)

Total Credits: 54

SPF (EDF) 202 Childhood Development and Education (Take this course early in program).

SPF (EDF) 203 - School and Society (Take this course early in program).

SPF (EDF) 302 - Educational Psychology (pre-requisites: SPF (EDF) 202; may require major status).

EDU/SPF (EDF) 201 - Introduction to Elementary Education (pre-requisites: CWP 101; recommended after SPF (EDF) 202 and/or SPF (EDF) 203). Majors only.

**EDU 211** - Introduction to Literacy (*pre-requisite preferred* or co-requisite with advisor approval: EDU/SPF (EDF) 201 or EXE 360; Majors only.)

**EDU 310**- Teaching Social Studies in the Elementary School (pre-requisites: Majors only; C or better in EDU 211; and overall minimum GPA of 2.5. May be taken concurrently with EDU 311W or EDU 316 or alone).

\*EDU 311 - Teaching Reading and the Other Language Arts in the Elementary School. (pre-requisites: Majors only; C or better in EDU 211; an overall minimum GPA of 2.5. Cannot be taken concurrently with EDU 316 or EDU 329., PPDP (EDU 201) and all SPF courses should be completed). Mandatory EDU 311W Orientation. Taught in a Professional Development School (PDS).

**EDU 313** – Teaching of Science (pre-requisite of EDU 211 with C or better; majors only)

\*EDU 316 - The Teaching of Mathematics in the Elementary School (pre-requisites: Majors only; EDU 311; Must have earned a "C" or better in all education methods courses and an overall minimum GPA of 2.5. Cannot be taken concurrently with EDU 311). Taught in a Professional Development School (PDS).

**EXE 362** - Classroom and Behavior Management (pre-requisites: Major status; **EXE 100**. Can be taken during Student Teaching by Childhood majors. Semester of Student Teaching cannot exceed 18 credits).

**EXE 371** - Foundations of Teaching of Children with Disabilities (pre-requisites: Major Status; EDU 211).

EDU 400/401/402 - Practicum in Teaching (15 credits) (pre-requisites: Majors only; Grade "C" or higher, in all methods courses related to the respective major (EDU 211, 310W, 311W, 316 or 329; cumulative average of 2.5 or higher in all class work). This cohort of courses is meant to be the culminating experience for majors and will usually take place in 2 PDS Schools. EDU 402 is the seminar portion of student teaching.

## Early Childhood Education: Birth – Grade 2 (Major code: ECE) Total Credits: 51-57

SPF (EDF) 202 - Child Development and Education (Take this course early in program).

EDU/SPF (EDF) 201 - Introduction to Elementary Education (pre-requisites: CWP 101; SPF 202; Major status).

**EDU 211** - Introduction to Literacy (*pre-requisite preferred* or co-requisite with advisor's approval: EDU/SPF (EDF) 201 or EXE 360; Majors only).

EDU 220 - Programs for Infants and Toddlers (pre-requisites: Admission to program major; SPF (EDF) 202; EDU/SPF (EDF) 201; EDU 211 with a C or better).

**SPF (EDF) 302** - Educational Psychology (*pre-requisite: SPF (EDF) 202*; major status may be required);

\*EDU 311W -Teaching Reading and the Other Language Arts in the Elementary School. (pre-requisites: Majors only; must have earned a "C" or better in EDU 211 and an overall minimum GPA of 2.5. Cannot be taken concurrently with EDU 329 or EDU 316.; PPDP and all SPF courses should be completed). Mandatory 311W Orientation. Taught in a Professional Development School (PDS).

**EDU 326** - Emergent Literacy (pre-requisite: **EDU 201; EDU 211).** Often taken with EDU 329.

\*EDU 329 – Integrated Thematic Instruction for Young Children (pre-requisites: Admission to program major; EDU 311W; EDU 220; must have earned a "C" or better in all education methods courses and an overall minimum GPA of 2.5. Cannot be taken concurrently with EDU 311W). Taught in a Professional Development School (PDS). Mandatory EDU 329 Orientation.

**EXE 371** – Foundations of Teaching of Children with Disabilities (pre-requisites: Major Status; **EDU** 211).

EDU 411 – Parents, Schools, and Community (Usually taken with student teaching cohort of classes: EDU 400/402/410 or may be taken in the previous semester).

EDU 400/410/402 – Practicum in Teaching (Prerequisite: Grade "C" or higher, in methods courses related to the respective major (EDU 211, 220, 311W, and 329), cumulative average of 2.50 or higher in all class work). This cohort of classes is meant to be the culminating experience. Student Teaching Cohort in a PDS. EDU 402 is the seminar portion.

#### **Additional Recommended Course**

**EXE 362** - Classroom and Behavior Management (pre-requisites: Major Status; **EXE 100**). Early childhood majors should take prior to student teaching because the semester of student teaching cannot exceed 18 credits.

#### Combined Program (Major code: ECC)

#### Total credits: 69

SPF (EDF) 202 - Child Development and Education (Take this course early in program).

SPF (EDF) 203 - School and Society (Take this course early in program).

EDU/SPF (EDF) 201 - Introduction to Elementary Education (pre-requisites: CWP 101 and SPF 202 preferred; Major status).

**EDU 211** - Introduction to Literacy (*pre-requisite preferred* or co-requisite with advisor approval: EDU/SPF (EDF) 201 or EXE 360; Majors only).

**EDU 220** - Programs for Infants and Toddlers (pre-requisites: Admission to program major; SPF (EDF) 202; EDU/SPF (EDF) 201; EDU 211 with a C or better).

SPF (EDF) 302 - Educational Psychology (pre-req: SPF (EDF) 202). Major status may be req.

**EDU 310W** - Teaching Social Studies in the Elementary School (pre-requisites: Majors only; must have earned a "C" or better in all education methods courses, including EDU 211; may be taken concurrently with EDU 311W, EDU 313, or EDU 316 or alone).

\*EDU 311W -Teaching Reading and the Other Language Arts in the Elementary School. (pre-requisites: Majors only; C or better in EDU 211; an overall minimum GPA of 2.5. Cannot be taken concurrently with EDU 316 or 329; PPDP (done in EDU 201) as well as all SPF courses should be completed). Mandatory PDS/EDU 311W Orientation. Taught in ta PDS School.

**EDU 313** – Teaching of Science (pre-requisite of EDU 211 with C or better; majors only)

\*EDU 316 -The Teaching of Mathematics in the Elementary School (pre-requisites: Majors only; EDU 311; must have earned a "C" or better in all education methods courses and an overall minimum GPA of 2.5). Cannot be taken concurrently with EDU 311W or EDU 329. Taught in a PDS School.

\*EDU 329 - Integrated Thematic Instruction for Young Children (pre-requisites: Admission to program; C or better in EDU 311W, EDU 220). Not taken with EDU 316; Mandatory EDU 329 Orientation. Taught in a PDS School.

**EXE 362** - Classroom and Behavior Management (pre-requisites: Major Status; **EXE 100**). Can be taken during Student Teaching by Childhood majors only, **not** by combined majors. Semester of Student Teaching cannot exceed 18 credits).

EXE 371 - Foundations of Teaching of Children with Disabilities (pre-regs: Major Status; EDU 211).

EDU 326 - Emergent Literacy (pre-req: EDU/SPF 201; EDU 211). Often taken with EDU 329.

**EDU 411** - Parents, Schools, and Community (usually taken with Student Teaching, but may be taken prior to student teaching).

**EDU 400/410/402** - Practicum in Teaching (pre-requisites: Majors only; Grade "C" or higher, in methods courses related to the respective major - EDU 211, 310, 311W, 316 and 329; cumulative average of 2.5 or higher in all class work). This cohort of courses known as student teaching is meant to be the **culminating experience for majors.** EDU 402 is the seminar portion of student teaching.

# Elementary Education & Reading Departmental Policies

#### Required Grade Point Average

A minimum cumulative grade point average of 3.0 is required for admittance to the major. A minimum cumulative and professional sequence grade point of 2.5 must be maintained throughout the program. At any point that a student's overall GPA falls below 2.5, the student will be placed on a department watch list. The student will then have two regular semesters in which to raise his/her GPA to 2.5. While the student is on the department watch list, enrollment is not permitted in EDU 310W, EDU 311W, EDU 316, EDU 329, EDU 400/401/402 or 410.

If unsuccessful in achieving a 2.5 within two regular semesters, the student will **not** be permitted to continue in the professional education sequence and will be advised to seek a major other than one within the Elementary Education department. **Students must also maintain a 2.5 in the professional sequence.** 

#### **Examinations - for New York State Certification**

All students seeking <u>initial certification</u> as a teacher of Childhood and/or Early Childhood must successfully complete the required New York State Exams. At this time, the exams are in transition. Information about the examinations is available through the teacher certification office at Buffalo State, but for all of the most current testing information, please visit <u>www.nystce.nesinc.com</u>.

#### Methods and Student Teaching Regulations

EDU 310W, EDU 311W, EDU 313, EDU 316, and EDU 329 (for Early Childhood) are the courses required to learn appropriate teaching methodology.

The Elementary Education and Reading Department will **not accept transfer credits** to meet these requirements. Students must have a "C" or better in each methods course (310W, 311W, 316 and/or 329) in order to move through the program and into student teaching. Course descriptions are available in this handbook.

Only students who are formally admitted into the majors (CED, ECE, ECC and extensions) may take these courses. If a student registers for one of these courses and then does not have a cumulative 2.5 GPA, the student will be asked to withdraw or be administratively withdrawn from the course. There are no exceptions.

Once you have been withdrawn you will not be able to re-register for the course until you attain a 2.5 GPA. There are no exceptions!

**IMPORTANT:** Before registering for the methods courses you **MUST** attend an information/orientation meeting during the prior semester. All students should review any advisement information sent to them prior to the advisement period, distributed in classes, or displayed on department bulletin boards for information on meeting dates and locations. Students should regularly check the bulletin boards outside Bacon 302 for additional information regarding orientations and other events relevant to their programs. Professional Development School sites are listed on these bulletin boards and on the PDS website, <a href="https://www.buffalostate.edu/pds">www.buffalostate.edu/pds</a>

Students may <u>not</u> take more than one six-credit methods course in one semester, e.g. EDU 311W & EDU 316 cannot be taken simultaneously.

#### Student Teaching: EDU 400/401/404/410/402

Students are responsible for understanding and abiding by the regulations presented in the Student Teaching Handbook distributed by the department. Student Teaching is the **culminating** teacher candidate experience. Teacher Candidate and Mentor Teacher Handbooks are available on line at <a href="https://www.buffalostate.edu/pds">www.buffalostate.edu/pds</a>. Look under "For Current Students."

The Elementary Education and Reading Department will not accept transfer credits to meet these requirements.

Only students who are formally admitted into the majors may take these courses. If a student registers for one of these courses and then does not have a cumulative 2.5 GPA, the student will be administratively withdrawn from the course. Once you have been withdrawn you will not be able to re-register for the course until the following semester. There are no exceptions!

Student teachers are **required** to attend a **meeting** the semester prior to student teaching. At that time the student will complete the following:

Student Teaching Application Student Teaching Information Sheet

Generally, the student teaching meeting will be held in October for spring semester and March for the fall semester. Exact dates, times, and locations will be included in the advisement packet or on bulletin board displays each semester. Watch for these announcements and discuss with your advisor.

#### Student Teaching Grading Policies

Students earn either a "satisfactory (S)" or "unsatisfactory (U)" grade for student teaching. If a student teacher receives an unsatisfactory (U) grade in either 7-week teaching situation, a case conference will be required (with the department chairperson) before permission is granted to continue in student teaching. Two unsatisfactory (U) grades will result in the termination of the student in the program. An appointment should be made with the Elementary Education and Reading Department chairperson to discuss other career and course options.

#### Other College Policies

Each student is responsible for meeting the requirements of the college generally and those of the Elementary Education and Reading department. If we can assist you in interpreting these policies, be certain to contact your academic advisor within the department.

#### Candidate Dispositions Teacher Education Unit SUNY Buffalo State

Initial and advanced candidates and candidates preparing for other education-related professional roles at SUNY Buffalo State should exhibit dispositions identified by the Interstate Teacher Assessment and Support Consortium (InTASC) standards including the following over-arching standard related to ethical behavior: *Teachers and other school personnel exhibit behaviors that are consistent with the profession's mission, values, ethical principles, and ethical standards including the New York State Code of Ethics. Education-related professionals act honestly and responsibly and promote ethical practices in the schools, educational settings, and communities in which they work.* 

# Interstate Teacher Assessment and Support Consortium (InTASC) MODEL CORE TEACHING STANDARDS (2011) Interstate Teacher Assessment and Support Consortium

http://www.ccsso.org/Documents/2011/InTASC Model Core Teaching Standards 2011.pdf

**Standard #1: Learner Development**. The teacher understands how learners grow and develop, recognizing that patterns of learning and development vary individually within and across the cognitive, linguistic, social, emotional, and physical areas, and designs and implements developmentally appropriate and challenging learning experiences.

**Standard #2: Learning Differences**. The teacher uses understanding of individual differences and diverse cultures and communities to ensure inclusive learning environments that enable each learner to meet high standards.

**Standard #3: Learning Environments**. The teacher works with others to create environments that support individual and collaborative learning, and that encourage positive social interaction, active engagement in learning, and self-motivation

**Standard #4: Content Knowledge**. The teacher understands the central concepts, tools of inquiry, and structures of the discipline(s) he or she teaches and creates learning experiences that make the discipline accessible and meaningful for learners to assure mastery of the content.

**Standard #5: Application of Content**. The teacher understands how to connect concepts and use differing perspectives to engage learners in critical thinking, creativity, and collaborative problem solving related to authentic local and global issues.

**Standard #6: Assessment**. The teacher understands and uses multiple methods of assessment to engage learners in their own growth, to monitor learner progress, and to guide the teacher's and learner's decision making.

**Standard #7: Planning for Instruction**. The teacher plans instruction that supports every student in meeting rigorous learning goals by drawing upon knowledge of content areas, curriculum, cross-disciplinary skills, and pedagogy, as well as knowledge of learners and the community context.

**Standard #8: Instructional Strategies**. The teacher understands and uses a variety of instructional strategies to encourage learners to develop deep understanding of content areas and their connections, and to build skills to apply knowledge in meaningful ways.

**Standard #9: Professional Learning and Ethical Practice.** The teacher engages in ongoing professional learning and uses evidence to continually evaluate his/her practice, particularly the effects of his/her choices and actions on others (learners, families, other professionals, and the community), and adapts practice to meet the needs of each learner.

**Standard #10: Leadership and Collaboration**. The teacher seeks appropriate leadership roles and opportunities to take responsibility for student learning, to collaborate with learners, families, colleagues, other school professionals, and community members to ensure learner growth, and to advance the profession.

# Interstate Teacher Assessment and Support Consortium (InTASC) Dispositions

Principle One: The candidate understands the central concepts, tools of inquiry, and structures of the discipline(s) he or she teaches and can create learning experiences that make these aspects of subject matter meaningful for students.

#### 1. Dispositions: The candidate

- realizes that subject matter knowledge is not a fixed body of facts but is complex and ever evolving. S/he seeks to keep abreast of new ideas and understandings in the field.
- appreciates multiple perspectives and conveys to learners how knowledge is developed from the vantage point of the knower.
- has enthusiasm for the discipline(s) s/he teaches and sees connections to everyday life.
- is committed to continuous learning and engages in professional discourse about subject matter knowledge and children's learning of the discipline.

Principle Two: The candidate understands how children learn and develop, and can provide learning opportunities that support their intellectual, social and personal development.

#### **2. Dispositions**: The candidate

- appreciates individual variation within each area of development, shows respect for the diverse talents
  of all learners, and is committed to help them develop self-confidence and competence.
- is disposed to use students' strengths as a basis for growth, and their errors as an opportunity for learning.

Principle Three: The candidate understands how students differ in their approaches to learning and creates instruction opportunities that are adapted to diverse learners.

#### 3. Dispositions: The candidate

- believes that all children can learn at high levels and persists in helping all children achieve success.
- appreciates and values human diversity, shows respect for students' varied talents and perspectives, and is committed to the pursuit of "individually configured excellence."
- respects students as individuals with differing personal and family backgrounds and various skills, talents, and interests.
- is sensitive to community and cultural norms.
- makes students feel valued for their potential as people, and helps them learn to value each other.
- brings multiple perspectives to the discussion of subject matter, including attention to students' personal, family, and community experiences and cultural norms.
- creates a learning community in which individual differences are respected.

Principle #4: The candidate understands and uses a variety of instructional strategies to encourage students' development of critical thinking, problem solving, and performance skills.

#### 4. Dispositions: The candidate

- values the development of students' critical thinking, independent problem solving, and performance capabilities.
- values flexibility and reciprocity in the teaching process as necessary for adapting instruction to student responses, ideas, and needs.

Principle Five: The candidate uses an understanding of individual and group motivation and behavior to create a learning environment that encourages positive social interaction, active engagement in learning, and self-motivation.

#### **5. Dispositions:** The candidate

takes responsibility for establishing a positive climate in the classroom and participates in maintaining

such a climate in the school as a whole.

- understands how participation supports commitment, and is committed to the expression and use of democratic values in the classroom.
- values the role of students in promoting each other's learning and recognizes the importance of peer relationships in establishing a climate of learning.
- recognizes the value of intrinsic motivation to students' life-long growth and learning.
- is committed to the continuous development of individual students' abilities and considers how different motivational strategies are likely to encourage this development for each student.

Principle Six: The candidate uses knowledge of effective verbal, nonverbal, and media communication techniques to foster active inquiry, collaboration, and supportive interaction in the classroom.

#### 6. Dispositions: The candidate

- recognizes the power of language for fostering self-expression, identity development, and learning.
- values many ways in which people seek to communicate and encourages many modes of communication in the classroom.
- is a thoughtful and responsive listener.
- appreciates the cultural dimensions of communication, responds appropriately, and seeks to foster culturally sensitive communication by and among all students in the class.

Principal Seven: The candidate plans instruction based upon knowledge of subject matter, students, the community, and curriculum goals.

#### 7. Dispositions: The candidate

- values both long term and short term planning.
- believes that plans must always be open to adjustment and revision based on student needs and changing circumstances.
- values planning as a collegial activity.

Principle Eight: The candidate understands and uses formal and informal assessment strategies to evaluate and ensure the continuous intellectual, social and physical development of the learner.

#### 8. Dispositions: The candidate

- values ongoing assessment as essential to the instructional process and recognizes that many different assessment strategies, accurately and systematically used, are necessary for monitoring and promoting student learning.
- is committed to using assessment to identify student strengths and promote student growth rather than to deny students access to learning opportunities.

Principle Nine: The candidate is a reflective practitioner who continually evaluates the effects of his/her choices and actions on others (students, parents, and other professionals in the learning community) and who actively seeks out opportunities to grow professionally.

#### **9. Dispositions:** The candidate

- values critical thinking and self-directed learning as habits of mind.
- is committed to reflection, assessment, and learning as an ongoing process.
- is committed to seeking out, developing, and continually refining practices that address the individual needs of students.
- recognizes his/her professional responsibility for engaging in and supporting appropriate professional practices for self and colleagues.

Principle Ten: The candidate fosters relationships with school colleagues, parents, and agencies in the larger community to support students' learning and well-being.

#### 10. Dispositions: The candidate

- values and appreciates the importance of all aspects of a child's experience.
- is concerned about all aspects of a child's well-being (cognitive, emotional, social, and physical), and is alert to signs of difficulties.
- is willing to consult with other adults regarding the education and well-being of his/her students.
- respects the privacy of students and confidentiality of information.
- is willing to work with other professionals to improve the overall learning environment for students.

#### **CAEP Dispositions for Teacher Candidates**

- Candidates and other school personnel exhibit behaviors that are consistent with the profession's
  mission, values, ethical principles, and ethical standards including the New York State Code of
  Ethics.
- 2. Education-related professionals act honestly and responsibly and promote ethical practices in the schools, educational settings, and communities in which they work.
- 3. The candidate realizes that subject matter knowledge is not a fixed body of facts but is complex and ever-evolving. S/he seeks to keep abreast of new ideas and understandings in the field.
- 4. The candidate is committed to continuous learning and engages in professional discourse about the subject matter knowledge and children's learning of the discipline.
- 5. The candidate values ongoing assessment as essential to the instructional process and recognizes that many different assessment strategies, accurately and systematically used, are necessary for monitoring and promoting student learning.
- 6. The candidate is committed to using assessment to identify student strengths, and promote student growth rather than to deny students access to learning opportunities.
- 7. The candidate values and appreciates the importance of all aspects of a child's experience.
- 8. The candidate is concerned about all aspects of a child's well-being (cognitive, emotional, social and physical), and is alert to signs of difficulties.
- 9. The candidate values the development of students' critical thinking, independent problem solving, and performance capabilities.
- 10. The candidate values flexibility and reciprocity in the teaching process as necessary for adapting instruction to student responses, ideas, and needs.
- 11. The candidate values the use of educational technology in the teaching and learning process.
- 12. The candidate values many ways in which people seek to communicate and encourages many modes of communication (including speaking, writing, other media and technology) in the classroom.
- 13. The candidate is a thoughtful and responsive listener.
- 14. The candidate believes that plans must always be open to adjustment and revision based on student needs and changing circumstances.
- 15. The candidate appreciates and values human diversity, shows respect for students' varied talents and perspectives, and is committed to the pursuit of "individually configured excellence".
- 16. The candidate respects students as individuals with differing personal and family backgrounds and various skills, talents, and interests.
- 17. The candidate is committed to reflection, assessment and learning as an ongoing process.
- 18. The candidate recognizes his/her professional responsibility for engaging in and supporting appropriate professional practices for self and colleagues.
- 19. The candidate understands how participation supports commitment, and is committed to the expression and use of (fair) democratic values in the classroom.
- 20. The candidate is committed to seeking out, developing, and continually refining practices that address the individual needs of students.
- 21. The candidate appreciates individual variation within each area of developments, shows respect for the diverse talents of all learners, and is committed to help them develop self-confidence and competence.
- 22. The candidate is disposed to use students' strengths as a basis for growth, and their errors as an opportunity for learning.

#### COURSE DESCRIPTIONS

#### EDU/SPF (EDF) 201 - Introduction to Elementary Education

3 crs.

(pre-requisite: ENG/CWP 101; SPF 202; Major Status)

Introduces students interested in the education profession to elementary school teaching. Applications of major theories, consideration of developmentally appropriate practices relative to NYS and Common Core Learning Standards, an introduction to classroom organization, classroom management and discipline, and participation in the reflective writing process are emphasized. A field experience outside regularly scheduled course time is required (15 hours).

#### SPF (EDF) 202 - Child Development and Education
